Swift Student Challenge 2024

App Name : WordWise ~ Expand Your Lexicon, One Word at a Time.

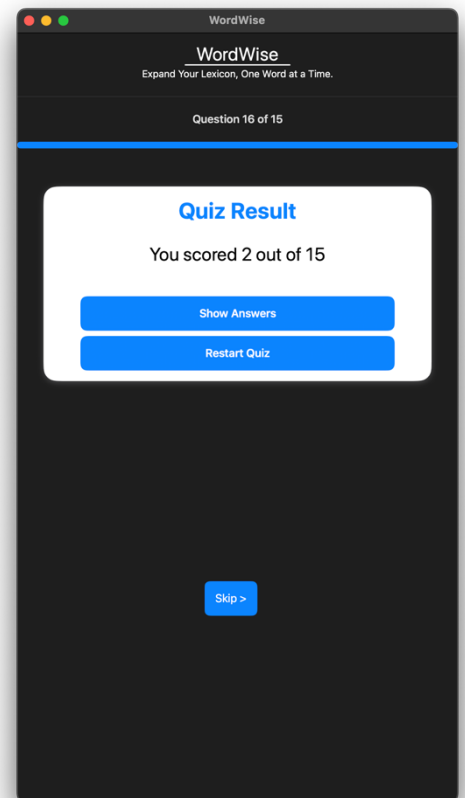

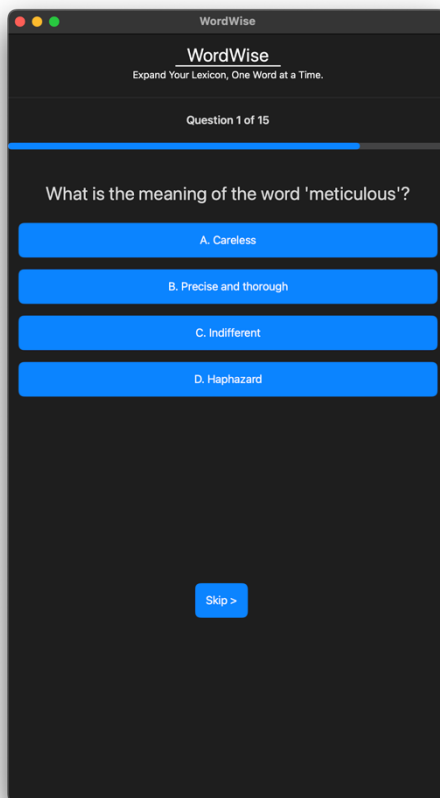

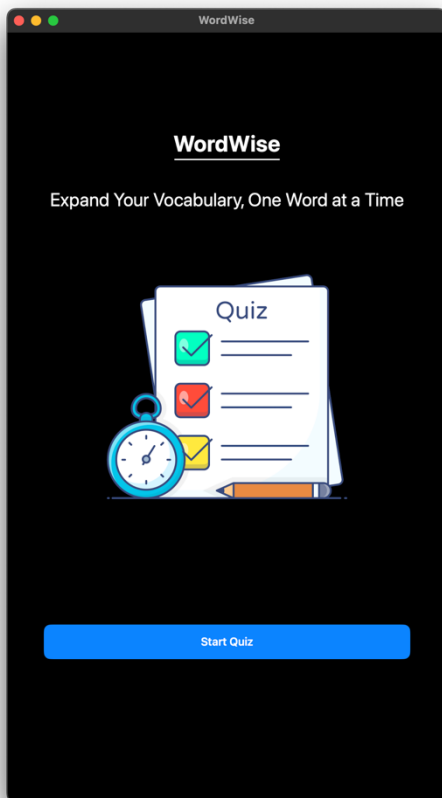

Tell us about the **features and technologies** you used. (Max of 200 Words) :

The WordWise app aims to enrich and expand English vocabulary by presenting multiple-choice questions that focuses on English words. The app uses SwiftUI to offer users an engaging and educational experience. The app features a dynamic question display system, with multiple-choice answers and a timer to keep the challenge exciting. As users progress, they receive immediate feedback on their answers. The app provides a result overview at the end of the quiz, allowing users to review their performance and learn from their mistakes. Each question challenges users to select the correct definition, synonym, antonym for a given word.
